**SUMMARY:**

With my knowledge and experience I can provide major media exposure for your products with, experience at working shows and media events and the aptitude to promote/represent and sell products in this industry. I have come to know most if not all of the major players in this industry and have forged many long lasting relationships that will prove invaluable, not to mention the fact that I’m one of just a few anglers confined to a wheelchair which as proven to leave a long lasting impression on people.
